ALBERTA

INTRODUCTION

The "Directory of Alberta Government Libraries" is produced by Cooperative Government Library Services Section, Alberta Legislature Library, on a semi-annual basis.

It lists provincial government libraries in Alberta and includes statistics on the number of libraries and library personnel within the provincial government.

The Directory is produced at the University of Alberta utilizing the TEXTFORM Program.

This edition is based on information compiled in June 1985. Additions and changes will be included in the Alberta Government Libraries' Newsletter, issued the first week of every month.

Cost of a subscription to the Directory is $6.00 per year. This entitles the subscriber to the two editions that are produced each year.

Please notify Cooperative Government Library Services Section, Alberta Legislature Library, Edmonton, 427-3837 of additions and changes.
